

FREEDOM & DIGNITY : DENIED BY BEHAVIORISM

B. F. Skinner, Beyond Freedom and Dignity (N.Y. : Alfred Knopf 1971)

\$ 6.95.

~~There~~ No human freedom: humans are totally determined by their environment.

Bases for their thesis: (i) humans can be manipulated ^(programmed) almost at will. Control their behavior and you control them; (ii) neglect of conflict or wish to suppress it.
